1. This application is in condition for allowance except for the following formal matters:

The proposed Replacement Sheets of Drawings of October 14, 2009 have NOT been approved. A drawing figure may be numbered only once. There can not be double numbering. For example, in the first proposed replacement sheet of October 14, 2009 the three views are collectively numbered as Figure 8 and then each view is numbered again as 8(a) or 8(b) or 8(c). This is not permitted. All three views may be one figure numbered Figure 8 or each view may be a separate figure, namely: Figure 8(a), Figure 8(b), and Figure 8(c). Whichever of these options is chosen, the Specification must be appropriately amended to reflect the changes to the drawing numbering. The comments just made above with respect to Figure 8 apply equally to the other replacement sheets of October 14, 2009, which propose changes for Figures 12, 13, 17, and 18. Please see 37 CFR 1.84(u). Correction of these defects is hereby **required**.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
